About SEM-Pro Feature Group

Safety Features: A comprehensive safety package that ensures optimum safety. Consists of an **SPS** (Safety Protection System), an Electronically Controlled safety flap in the feed opening to prevent fingers and ties from entering the cutting area. **Auto reverse and power cut-off** to avoid paper jams; **Bag full and door ajar** auto shut down.

Energy Saving GREEN Features: Integrated **ESM** (Energy Saving Mode) to automatically shut down the system after 30 minutes of non use. Double motor protection against overheating and insulation for **noise reduction**. Cabinets made from **recycled wood** materials.

User Performance Features: Automatic functions are also controlled by the easy-to-use **EASY SWITCH** panel with integrated visual indicators.

SEM: An ISO 14001 Registered Company
