SEM Model DDG (Data Dis-Guard) Tamper Resistant Security Cabinet

For the ultimate in document storage in an aesthetically designed cabinet, the SEM DDG (Data-Dis Guard) is the answer. Perfect solution to store sensitive documents in a safe and tamper resistant cabinet prior to shredding.

Unique hinged baffle design for the ultimate in tamper resistance storage. Features a large 5 cubic foot capacity top Feed “Mail Box” style Drawer with a heavy duty Nylon Collection Bag.

Hidden “Locking Pins” are used to avoid emptying contents when tipped over. Limited top drawer access to prevent material from being removed. Lock type hasp for various padlocks. No exposed hinges to avoid tampering.

Available in Black, Grey and/or Sauterne
