The SEM DS-200 combines a conventional shredder to pre-shred Paper along with our Model 200 Office Disintegrator.

This maximum high security, Versatile, Multi-Use office shredder/disintegrator produces a waste particle that’s over 50% smaller than a conventional high security shredder. With the 3/32” waste-sizing screen that comes standard with the unit, the Model DS-200 disintegrator produces a final **RANDOM** waste particle that has been **evaluated by NSA and meets the requirements of NSA/CSS Specification 02-02 High Security Disintegrators and NSA/CSS 04-02, Optical Media Destruction Devices.**

In addition, the Model 200 is also capable of destroying CUI / official use only credit cards, I.D. badges, audiotapes, floppy discs and more. **Also Ideal for “Thumb Drives”**. With an easy to install optional 5/64” waste sizing screen, the Model 200 also meets **NSA/CSS 04-01 requirements for Key Tape destruction. Also capable of destroying Cell Phones, Blackberries, PDAs and similar devices.**

The Model DS-200 comes equipped with a 35 Gallon Vacuum Collection System and two cases of waste collection bags (50 bags per case).

All SEM VK Disintegrators come with a **LIFETIME WARRANTY**. SEM warrants the “Disintegrator” against defective parts and workmanship for the life of the unit. Labor and Parts that are damaged due normal usage are not covered. Excluded from warranty coverage are normal wear items and electrical components
