

## SEM Model 0100 Sledgehammer *Manual HARD DRIVE CRUSHER*

This MANUAL hard drive "crusher" destroys all hard drives regardless of their size, format or type (from .65 to 1.6 inch), including laptop drives. The Model 0100 HD Crusher delivers a staggering 6,000 pounds of force to a conical punch causing catastrophic trauma to the hard drive chassis while destroying the internal platter. The unit should be mounted to a table or purchased with the optional custom heavy duty stand. Destruction takes only 5 seconds. Made in USA.
