

22/5 VKE Green System Medium/ Heavy Duty Disintegrator

Level T-6, E-5, O-5, P-7

NSA/CSS EPL Listed for Paper, Key Tape, CDs

Global Leader in High Security Information
End-of-Life Solutions for Over 50 Years

NSN: 7490-01-701-0685

SEM Model 22/5 VKE Green System combines your high security disintegration needs with our eco-friendly briquetting system, making it the most efficient, effective, and green destruction system available.

- A** SEM Model 22/5 disintegrator in optional sound enclosure with in-feed conveyor
- B** SEM dual discharge briquettor with air collection system
- C** FC-15 fan cyclone
- D** Air filter and dust collection system with optional drum collection
- E** Briquette collection

Disintegrator

The SEM Model 22/5 is the most popular of our medium/heavy duty disintegrators, providing high volume destruction in excess of 800 lbs./hr. at NSA Approved 3/32 in. particle and up to 1,100 lbs./hr. at larger particle sizes. The Model 22/5, like all of SEM's disintegrators, has been evaluated by NSA and is listed on the NSA/CSS EPLs for paper, key tape, and CDs.

Briquettor

The SEM dual discharge briquettor is our high volume briquettor designed specifically to work with the SEM Model 22/5 disintegrator. The briquettor efficiently compacts paper waste resulting in a 90% volume reduction. The SEM briquettor not only helps organizations to be eco-friendly, but may reduce disposal and transportation costs as well.

Green Value Kit

The 22/5 VKE Green bundles everything needed for a complete enclosed system at a substantial savings over individual component purchases. The system includes the following:

- Model 22/5 Disintegrator with 7-blade cutting system
- Includes 25HP motor, integrated 3/32 in. sizing screen, and hour meter
- SEM dual discharge briquettor with expanded waste holding tank
- Fan cyclone evacuation system to transport waste into briquettor

Options:

- Customized MX sound enclosure (2 in. thick insulated steel)
- Spare set of knives (5 rotor/2 bed)
- Model 22/5 general maintenance kit
- Customized air filtration system to minimize dust

Installation, validation, and at-site training (CONUS) by SEM factory technicians available for an additional cost.

Warranty

All SEM disintegrator systems are individually evaluated to best suit the customer's needs while considering budget, space limitations, and destruction application. All new SEM disintegrators come with a five year non-wear parts warranty and a 90 day labor warranty. The SEM briquettor comes with a one year parts and 90 day labor warranty.
